## Equipment & Warranties

**Equipment purchase is required.**

- \$199 plus tax
- 2 Year Service Contract (in the event of early cancellation, customer must pay the remaining time left on the contract)
- No Installation Fee (on Standard Installation\*).
- We require half down on the equipment at the time of installation, and the balance will appear on your first bill.

\* Standard Installation is defined as follows:

- Travel within 50 road mile radius of Cortez or Pleasant View, CO
- Up to 150' RG-6 cable run
- Cable routed through 1 exterior and 1 interior wall
- Connection to a single computer

### Warranties:

90 Days on Installation  
1 Year on Equipment (or manufacturer warranty, if different)

## Additional Services & Other Information

- **Additional Email Addresses** - \$2.50/mo. per address
- **Additional Web Space** - 50¢/mo. per MB
- **Mileage.** The first 100 miles, round-trip, is free. After that the customer will be charged 95¢/mile.
- **Networking for wireless use or for use of multiple computers.** Our installer will bring and program a wireless router for an extra fee of \$135.00. If the customer purchases their own router and would like the installer to program it at the time of the installation, the customer will be charged a \$35.00 fee. If you prefer, you can purchase and install your own router at any time.

**Other Information:** Each package has a different usage threshold which is calculated on a monthly scale, which is reset on the same day every month (please see Data Allowance Policy). High usage activities such as downloading movies, watching TV on the internet, or streaming media are more likely to put you in violation of the Data Allowance Policy.

Some applications such as internet phones (Vonage or Magic Jack) or live gaming may not be supported.
